

H1N1 Vaccine Clinic

Priority Groups ONLY—Free Vaccine

Targeted towards Orleans County Residents

Orleans County Health Department
Use entrance at East Side of building

Saturday, November 21, 2009

10:00 a.m. to 2:00 p.m.

Clinic opens at 10:00 a.m.

We have a limited vaccine supply—first come/first served

ONLY the following persons are eligible for this clinic:

- ☞ **Pregnant** women
- ☞ **Healthcare** workers and Emergency Medical Service Personnel
- ☞ **Persons** who are age 6 months to 24 years of age
- ☞ **Persons** age 25 to 64 years of age who are at higher risk of complications of H1N1 due to underlying health conditions such as asthma, diabetes, or heart and lung disease
- ☞ **Household** contacts and caregivers of infants under 6 months of age

Due to limited inside space,
you may need to wait outside the building

Children under age 18 **MUST** be accompanied by a parent or legal guardian
This clinic is NOT for people over 64 years old regardless of health condition or
for people 25-64 without chronic medical problems

**No persons other than those meeting the above criteria
can receive the vaccine at this clinic**
