RE: Orleans County Highway and Bridge Infrastructure Concerns

Dear Senator Schumer,

Orleans County has taken a strong effort to bring light to the Highway and Bridge Infrastructure concerns across our County. Our residents have even spoken out by signing and sending in letters of concern, relating to our deteriorating highways, unsafe and closed bridges.

The enclosed CD includes some key data points, concerning Highway and Bridge Infrastructure issues. We have provided adopted resolutions from our County, Towns and Villages; letters from concerned citizens; and a as is map of the Erie Canal Bridges of Orleans County. We also have had affiliated agencies and a School which also shared their concerns. We are aware there is an extreme amount of data, but this issue continues to heighten in concern as each day passes.

Please contact me at any time should you wish to share any questions, concerns or discussion concerning this very important matter. We hope that you will review the material, support our efforts from your vantage point, and I ask for your assistance in addressing this matter.

Very truly yours,

Kenneth A. DeRoller, Dist 4
Orleans County Legislator
Chairman, Public Safety Committee

KAD/nph
Enc. (1)
