KEVIN C. BUSH, P.E.
REGIONAL DIRECTOR

JOAN MCDONALD
COMMISSIONER

October 7, 2014

Honorable Kenneth A. DeRoller
Orleans County Legislator, District 4
3 South Main Street, Suite 2
Albion, NY 14411

Dear Mr. DeRoller:

Thank you for your recent letter to Commissioner McDonald relative to the Highway and Bridge Infrastructure in Orleans County. It has been sent to this office for a reply. I have reviewed the contents of the CD provided and realize this is an important issue for the residents and businesses in Orleans County. It is also an important issue for the New York State Department of Transportation (NYSDOT).

NYSDOT is currently working on a Capital Program Update to prioritize needs for next five years. NYSDOT has a structured project selection process; candidate projects are evaluated against other system needs and programmed based on relative importance, available funding and design resources.

Two locations of concern are programmed to be repaired. The culvert on NY 63 in the Town of Lyndonville is scheduled to be replaced in 2015. The Lake Ontario State Parkway Bridges at the entrance to Hamlin Beach State Park are scheduled for repair this fall and winter.

If you have further concerns or questions, please feel free to contact me at (585) 272-3310.

Sincerely,

Kevin C. Bush, P.E.
Regional Director, R4
